Oh, lay it on the line

I wanna know how you felt
'Cause I can take no more
You hurt me too many times
Like you did before

Now I'm changin' my ways
Time to let you go
Shedding too many tears
I'm gonna let my anger show

Gonna pull myself together
Ain't got much time
Gonna pull myself together
Lay it on, I lay it on the line
I lay it on the line

I must have been blind
It's amidst the [Incomprehensible]
They took me for a fool
And I thought I was 'lone

Then you let yourself down
You showed your colors too
It was all a mistake
And now I'm leaving you

I'm gonna pull myself together
I ain't got much time
I'm gonna pull myself together
Lay it on, I lay it on the line
I lay it on the line

Lay it on the line
Ain't got my sake
Lay it on the line
Ain't got no, ain't got no time

I'm gonna pull myself together
I ain't got much time
I'm gonna pull myself together

I lay it on, I lay it on the line

One more time
I lay it on the line
I lay it on the line

One more time [Incomprehensible]
I lay it on the line
Ain't got much time

I lay it on the line
Never, never
I lay it on the line
I lay it on the line
