Echoes from a bottomless pit  
A girl embalmed in blood, piss  
& spit  
Shrieks & prayers won't save her now  
As the priest climbs down to fuck  
Her mouth  
Tears of disgust, thoughts of murder  
A virgins mouth covered in saliva  
& cum  
Christ denied & her soul crucified

The stench from the bottomless pit  
As her father makes her eat his shit  
Piss in a glass perversion laughs  
Her trail of thought leaves a mark  
Of suicide

Christ denied her hands & feet tied  
Wearing a crown of thorns

Christ denied  
Christ denied

Bloop spurts in the bottomless pit  
The girl sits with his cock between  
Her teeth  
Shrieks & prayers won't save him now  
As she bites it off & spits it out  
Thought of disgust, joy of murder  
A priest's cock covered in saliva  
& blood  
Christ denied & his soul crucified

Christ denied  
Christ denied
