Cornered outnumbered nowhere left to hide ready to
Rumble swallow blood with pride clenching your fists
Swinging left and right eye for an eye fight or die!

The Scars cuts deep

Instinct prevails there's no time to think bury the human
Animal in strength ravenous anger mental war machine
Suffer the ego and deal with it!

Fight or die! [x2]

Cornered outnumbered nowhere left to hide ready to
Rumble swallow blood with pride clenching your fists
Swinging left and right eye for an eye fight or die!

The Scars cuts deep [x2]
