Split the morals of ancient rules  
Their cross left red and splintered  
Old enough to remain  
The lesser of two evils

Gods consuming man  
Weakness turns fanatic  
While they pray for another day  
They kill themselves systematic

Lesser of two evils  
God or man

Blood spilled to protect  
Lies used to reject  
The fact that man is evil  
When playing god

A cross, a flag, a priest, a fag  
I see no difference  
All the same, let's face a day  
Without religion

Lesser of two evils  
God or man  
Lesser of two evils  
They're both insane

Split the morals of ancient rules  
Old enough to remain

Split the morals of ancient rules  
Their cross left red and splintered  
Old enough to remain  
The lesser of two evils

God or man  
God or man

Blood spilled to protect  
Lies used to reject  
The fact that man is evil

When playing god

Lesser of two evils

Lesser of two evils

Lesser of two evils

Lesser of two evils

Lesser of two evils

Lesser of two evils
