Cut the flesh & worship blood
Rotting carcass fucked
Strong uncut devour
Necrofetishdrugs
Consuming my soul
Putrid gods unfold

Necrophilic fetish worm
Splintered eyeball girl
Mutilation, burning bodies &
Castration
Strong uncut devour

Necrofetishdrugs
Consuming my soul
Putrid gods unfold

Bloodshed breeding madness
Beneath the flesh
Images of horror is my god

Strong uncut devour
Necrofetishdrugs
Consuming my soul
Putrid gods unfold
