A grim & primal mind
Animal inside
Words reduced to spit
Violent sickening

Bloody flesh left hanging
To expose the bone
Head so full of demons
Fed on rage alone

Pieces of glass cut's deep into the skin
Moshed up knuckles a drunken threesome
With:
A fist & a wall, & an empty bottle

Primal, primal, primal, primal

Aggression

Bloody flesh left hanging
To expose the bone
Head so full of demons
Fed on rage alone

Pieces of glass cut's deep into the skin
Moshed up knuckles a drunken threesome
With
A fist & a wall, & an empty bottle

Primal, primal, primal, primal
Aggression
