Camptown lady sing this song  
Camptown racetrack five miles long  
Gonna run all night, gonna run all day  
Spent my money on a big fat joint  
But somebody took it away  
Fill my pipeload, fill my bong  
Gonna smoke all night  
Gonna smoke all day  
Big fat reefers five feet long  
Yannik va rouler un joint  
Yan y roule un joint  
Remercions le bon Dieu souverain  
Dan y roule un joint  
This is not a straight edge song  
We are not a straight edge band  
Gonna smoke all night  
Gonna smoke all day  
Big fat reefers five feet long
