(Intro)

Everything has its season
Everything has its time
Show me a reason and I'll soon show you a rhyme
Cats fit on the windowsill
Children fit in the snow
Why do I feel I don't fit in anywhere I go?

(Chorus)

Rivers belong where they can ramble
Eagles belong where they can fly
I've got to be where my spirit can run free
Got to find my corner of the sky

Every man has his daydreams
Every man has his goals
People like the way dreams have of sticking to the soul
Thunderclouds have their lightning
Nightingales have their song
And don't you see I want my life to be something more
than long

(Chorus)

So many men seem destined to settle for something
small
But I won't rest until I know I'll have it all
So don't ask where I'm going just listen when I'm gone
And far away you'll hear me singing softly to the dawn

(Chorus)
