I don't think i'm alive  
dead footsteps another outcast  
screaming alone god help me  
give me what you want  
give me what you need i'll take it all  
stand fall lost out  
baby yes i know it's not a secret  
a false alarm another  
front page lie disguised to help me  
burn another year  
of research stand still turn on the lights  
baby show me  
your scars salvation give me audio  
give me visual  
overload so slow lost out  
baby yes i know everyone is  
suspect everyone deserts sometimes  
another loss i'm  
feeling alone it's not a secret  
a false alarm it's not a  
secret it's not a sad song  
another front page lie  
disguised to help me burn  
god help us false alarm
