Alright!!!!

I left with shaking hands, looking for danger  
Details of modern love, in bed with strangers  
And there is no warning, I'm not ignoring

I cut glass on my callused feet,  
Cause I walk through miles of make shift mud  
Motherfuckerâ€¦I want your BLOOD!

I got the hands of history's stranglers,  
And the midnight sky reflects off my skin  
I got the flesh of a million strangersâ€¦  
Your never gonna see meâ€¦closing in  
YEAHâ€¦while you're sleeping!

No need for safe return, is no need for your concern  
There is no warning, I'm not ignoring  
I follow you across the county lines  
And these beads of sweat feel like a flood  
You motherfuckerâ€¦â€¦I want your BLOOD!

I got the hands of history's stranglers,  
And the midnight sky reflects off my skin  
I got the flesh of a million strangersâ€¦  
Your never going to see me closing inâ€¦  
Your never going to see me closing inâ€¦â€¦  
While you're sleeping!

Breaking through your window, stabbing through your  
ribcage!!
