12(juuni)gatsu ni nareba kooritsuita mado ni  
Tebukuro wo hazushite sotto yubi de kaita  
"I LOVE YOU" ressha wo oritara  
When December comes,  
I take off my glove & gently write "I love you"  
On the frozen window with my finger when I get off the  
train

Shiroi yuki tsumetai hoho ni  
Douzo kuchizukete me wo tojiru kara  
The white snow  
Please kiss me on my cold cheek, I'll close my eyes

Futari de ita heya de hitorikiri ni naru to  
Koko ga doko na no kamo shiru imi ga nai hodo  
"ONLY YOU" SHIITSU ni kakurete  
When I become alone in the room that we were in  
together,  
There's no reason to know where I'm at  
"only you"; hide in the sheets

Naita no wa yuube makura ni  
Toketa RABENDAA ga me ni shimiru kara  
"Ashita wa aeru?"  
I cried because last night  
The melted lavender on the pillow made my eyes water  
"Can we meet tomorrow?"

Tsukiakari futari wo terasu  
Mokusei no basha wo nagamete nemuru  
The moonlight shines on us  
I gaze at the wooden carriage & fall asleep

Hitotsu dake ii yume wo mite  
Sore de aeru nara  
Kyou wa yomikake no hon, tojiru kara  
If just by having one good dream,  
We could meet  
I'll close the half-read book

Mezamashi ga nareba, DOABERU ga nareba  
Sugu ni yomikake no hon, tojiru kara

If the alarm clock rings, if the doorbell rings  
I'll put the half-read book down immediately
