where shes narrow
she narrow as an arrow
and she broad.

A 101 pounds of fun
that my little honey gun!
get a load of honey bun tonight!

I'm speaking of sweetie pie!
only 60 inches high!
every inch is packed with dinamite!

Her hair is blonde and curley
her curls and hurly burly
her lips are pips!
i call her hips!
twirly and whirly!

She my baby
im her pap
im her bobby
shes my trap
i am caught and i dont wanna run
cause im having so much fun with honey bun!
