Oh, my love
Where have you gone?
Oh, my love
Have you moved on?

You made me weak
You made me pale
You made me nervous
You made me shake

Oh, my love
Where have you gone?
Oh, my love
Have you moved on?

You told me once
How much you could take
You told me twice
How your heart breaks

Oh, my love
Where have you gone?
Oh, my love
Have you moved on?

You made me weak
You made me pale
You made me nervous
You made me shake
You told me once
How much you could take
You told me twice
How your heart breaks

Oh, my love
Where have you gone?
Oh, my love
Have you moved on?
Oh, my love
Where have you gone?
Oh, my love

Have you moved on?
Oh, my love
Where have you gone?
Oh, my love
Have you moved on?
Oh, my love
Where have you gone?
Oh, my love
Have you moved on?
Have you moved on?
