Give me inner tension baby, so sweet and slow.
Half hearted misdirection, baby where will we go?

Slit wrists are the latest fashion, and your sheets see
the dirtiest action.
We're independent mammas. broke kids and loveless
gutters.

We need a little sunshine baby, we couldn't get much
weaker.
With neon lights for brains, here comes our shitty
future.
Oh yeah i love those neon lights. here comes our shitty
future!

Slit wrists are the latest fashion, your sheets see the
dirtiest action.
We're independent mammas. broke kids and loveless
gutters

We're independent mammas. broke kids and loveless
gutters

Here comes your shitty future,
One more time your shitty future.
YEAH!

Slit wrists the latest fashion, your sheets see the
dirtiest action.
We're independent mammas. broke kids and loveless
gutters
