[Verse 1:]

So now you're packing up your bags
Waiting on your cab
Thinking how did I mess up so bad
Cause you said what I did just wasn't right
And you want me out my life
Are you really done with me this time

[Hook:]

Things are different now
Doing what I came to change your mind
I apologize a thousand times
But it won't work (won't work)
Cause baby now
It just feels like I'm burning under water
This pain ain't making us stronger
So as you're walking out the door
I'm screaming out

[Chorus:]

Don't go
If you love me baby
You just won't go
I'll make it all better if you stay
So baby, don't go
It feels like I'm dying
Baby, please I'm down on my knees

[Verse 2:]

As he's loading up your bags
I'm hoping you'd look back
Cause if you do, that means that you're not sure
Do you think you're making the right move
There's so much here to lose
Are you sure you don't want me anymore

[Hook:]

Tell me how
Can I get our hearts to realize
I apologize a thousand times
But it won't work (won't work)

How does it feels like I'm burning under water
This pain ain't making us stronger
So as I watch you drive away
I'm screaming

[Chorus:]
Don't go
If you love me baby
You just won't go
I'll make it all better if you stay, baby
Don't go
It feels like I'm dying
Baby, please I'm down on my knees

Oh oh
Eh eh
Don't go
Do do do do do
Do do do do do
Do do do do do
Do do do do do
Do do do do do
Bada ba ba ba

[Chorus:]
Don't go
If you love me, baby
You just won't go
I'll make it all better if you stay
So baby, don't go
It feels like I'm dying
Baby, please I'm down on my knees
