You dirty old man now you know you got it  
Once you've caught it, nothing can be done  
It's fatal and it's fast so look back into the past  
Realize you're not the only one  
You cannot escape the fatal illness  
You realize there's nothing you can do  
Took you by surprise won't leave you till you die  
There's a fuckin' fatal illness on you  
Poor big fat Al  
With a fatal illness on his hands  
Too late for him now  
At least he understands  
IT'S THE END (8x)  
Doctors told you everything about it  
There's no cure and now you are going to die  
Take the time you've got and smoke a lot of pot  
Have a fucking party to say goodbye  
Way big fat Al  
With a fatal illness on his hands  
Too late for him now  
At least he understands  
IT'S THE END, don't you know that... (5x)  
End, end, end...
