Oh oh yeah
They're standing out there looking in
Just standing there judging us of what they see
And I can't be from the outside trying to get in
They won't stop until they win
And they finish the song, no

We won't break if we take our love and make it stronger
If we guard both of our hearts
There's no way they'll make us faultier
If we protect our glass case
And respect our glass case

Don't listen to anything they have to say
Cause they're envious, they wanna be like you and me
But no we can't let it happen
Our love is gonna last forever
But they won't stop until they win
And they finish the song, no girl

We won't break if we take our love and make it stronger
If we guard both of our hearts
There's no way they'll make us faultier
If we protect our glass case
And respect our glass case

I ain't losing you
I'm not gonna let them win,
Not gonna shatter us
Cause I want everything
It's you and I, just you and I
You and I
Whoa hey

Girl we won't break if we take our love and make it
stronger
If we guard both of our hearts
There's no way they'll make us faultier
If we protect our glass case
And respect our glass case
