Bailan, Bailan
Why don't we try to eliminate hate, hate, hate
We are one people, oh mama
A planetary nation, oh mama
Sharing the abundance for the greater need
Try to put us down, to screw us in the ground
But it's not how we want to be
Try to shut us out, to lose in a crowd
But it's not I reality
Feeling high
Why don't we live in joy and happiness
And we try to forget the rest
Living on the edge
Can't take my inner piece
Politician, industry, television, can you see
Who is in control we must break free
