Going, places I've never been, seeing things I've never
saw before, no
I'm flying, places I've never flown, learning things I've
never known,
It don't mean a thing cause you ain't here with me
We planned this together girl,
This was our year, always and forever girl, why aren't
you here?

Now I got everything that we ever wanted,
All the cars and cribs and jewelry yea
I've got everything you want
I've got everything you need
But it never crossed my mind, all you needed this
whole time was me

Baby I've been a better man,
Should've hold you when you cry
I'm wishing I could turn back the hands of time
And maybe I would see a sign
It don't mean a thing cause you ain't by my side

Now I got everything that we ever wanted,
All the cars and cribs and jewelry yea
I've got everything you want,
I've got everything you need,
But it never crossed my mind, all you needed this
whole time was me

And you ain't want another thing, not a car or crib or
ring
I must've forgotten whose dreams these were
I'm done being a selfish man
We planning this together girl,
This was our year, we planned this together, why aren't
you here?

Now I got everything that we ever wanted,
All the cars and cribs and jewelry yea
I've got everything you want,
I've got everything you need,

But it never crossed my mind, all you needed this
whole time was me

Just me, yea
Ohhhhh

Now I got everything that we ever wanted,
All the cars and cribs and jewelry yea
I've got everything you want,
I've got everything you need,
But it never crossed my mind, all you needed this
whole time was me
