I've got the beat  
I've got the booze  
There's no one doin' the limbshake  
As fucked up as I do  
My way of jerkin' round  
Is kind of unique in town  
But what I'm really proud of  
Is my unmolested top ten breakdown

Do the pavement tango  
The heroin pogo  
Do the needle mambo  
Everybody in the whole damn ghetto  
Do the pavement tango  
The heroin pogo  
Do the needle mambo

Sister sells her pussy  
To afford herself a trip  
Around the clock on duty  
She won't find a plug to fit  
Casual urge to defecate  
Pretty under control  
Itching heels, tattering hips  
Waitin' for gettin' balled
