I'm the grinderman
In the silver rain
In the pale moonlight
I am open late
Yes I'm the grinderman
Seven days a week
In the pale moonlight
In the silver rain
I'm the grinderman
Any way I can
In the silver rain
In the pale moonlight
I'm the grinderman
Yes I am
I'm the silver rain
In the pale moonlight
I am open late
Yes I'm the grinderman
In the silver rain
In the pale moonlight
I am open late
Yes I'm the grinderman
Yes I am
Any way I can
