All right
Cowgirl
Right on
Find something u can sell
That song
Then make a war to find it

So now it's true
Somewhere ordinary yeah ordinary
Your told it
No buisness

Cast yeah
Alright
Baby
Your rockin tonight
It started out so well
Then it goes straight then it folds

Your told it
So now it's true
No buisness
Your so ordinary
Go find her
Get back to

When u were blue
Somewhere ordinary
Find somewhere u can go and get away from it all...

Your told it
No buisness
Get back to
Somewhere ordinary
So now it's true
When u were blue
Go find her
Somewhere ordinary
Your so ordinary
