Stunned
Shoulder on
Your stunned
Shoulder on u
Get what u had to borrow
All it cost was some sorrow
U say that it's not that far
Go right where u are

I know where u can get it
I can see that u need it
Lets go so u can taste it now
U can blame all the others
Lets go so u can take it now
4 your fake undercover

Rolled around
From the crowd
Stunned
U wait for the things to happen
Your runnin
Its just an automatic
Shy your seein through
U got photos of me next to u
I can see that u need it
I know where u can get it

Lets go so u can taste it now
4 your fake undercover
U can blame all the others
Lets go so u can take it now

Stunned
Your runnin
Shoulder on
From the crowd
This is just the beginning
And u just think it's ending
Go right instantly
You stay and are let in 4 free

I know where u can get it
Lets go so u can taste it now
I can see that u need it
U can blame all the others
4 your fake undercover
Lets go so u can take it now
