and its all over  
sin in the ratty air  
i got suspended  
suspended in the air  
i tried to kiss you  
but you were never there  
i went a looking  
found you everywhere  
violent and lazy  
barbershop sport  
grass doesn't grow on a busy sidewalk

and its all over  
sin in the ratty yard  
no theres no pressure  
force fed buisness cards  
i tried to kill him'  
tried to kill you rock n roll star  
founding a bad trip  
some corperate facade

violent and lazy  
barbershop sport  
grass doesn't grow on a busy sidewalk

so now its over  
envy the ratty star  
cause thats a winner  
love those buisness car  
you still pretending  
still sending thoise christmas cards  
and talking back there  
waiting at the bar

violent and lazy  
barbershop sport  
grass doesn't grow on a busy sidewalk  
violent and lazy  
barbershop sport  
grass doesn't grow on a busy sidewalk

violent and lazy  
barbershop sport
