Well, I got drunk and I got stoned
Shot my family left my home
Went out on a killing spree
'Coz what you did was fucked to me

A thousand miles
Come get all your files
Put on that plastic smile
A thousand miles
Go, go, go, go, go, go
Go, go, go, go, go, go

When I got down and said to me
She made me part of history
Well, I go drunk and I got stoned
Left my family all alone

Go, go, go

A thousand miles
Come get all your files
Put on that plastic smile
A thousand miles
Go, go, go, go, go, go
Go, go, go, go, go, go

A thousand miles
Come get all your files
And all that frequent smiles
And all that plastic smile

A thousand miles
Come get all your files
Put on that plastic smile
A thousand miles
Go, go, go, go, go, go
Go, go, go, go, go, go
