Forgot to mention,  
The new detention.  
Forgone Conclusion  
Current lack of inspiration.

Sophisticated,  
Unpopulated  
Choose a television set  
Of colour screen sensation

*[pre-chorus1]*

Do you think that i was wrong  
I've got a patient family  
Was the plan meant to go there?  
Anyday anyhow

*[chorus]*

Say what you want to belong to  
Anytime  
We dont come here very often  
sold on side

Believe that  
I'd never lie here  
I couldn't feed another saviour  
If the trouble ended up and did you wrong

Come say and get another reading

*[Pre-Chorus2]*

Did i do things much better  
Did i do things much worse  
Was it that patient family  
Waiting there patiently

*[chorus]*

Say what you want to belong to  
Anytime  
We dont come here very often  
sold on side

*[SOLO]*

*[chorus]*

Say what you want to belong to  
Anytime  
We dont come in very often  
sold on side

*[chorus]*

Say what you want to belong to  
Anytime  
We dont come here very often  
sold on
