Dead cat three times
Bet it's out there on a highway line
You tried to deny all of it
I hang my head when I think
Dead cat, dead cat three times
Dead cat
You said that
Said cat three times
Dead cat
No school three times
Cigarettes, Sudafed for role call boys
They never really gave a shit
Apologetic hypocrite
Dead cat
Dead cat three times
Dead cat
Said that
Said cat three times
Dead, fuck, in, cat
Dead cat
Dead cat
Dead cat
Dead cat
Dead cat
Dead cat
