emborrachada de Bacardi (no I wasn't)  
I bet you didn't know que conoci al cantinero (what?)  
He told me that you were drinking, and wasting my  
dinero  
Talking about, come and enjoy what a woman gives a  
hombre  
(but first of all see, I have to know your nombre)  
now I really wanna ask ya, que si es verdad (would I  
lie?)  
and please por favor, tell me la verdad  
because I really need to know yeah necesito entender  
If you're gonna be a player, or be my mujer  
cause right now you're just a liar, a straight mentirosa  
(who me?)  
Today you tell me something, y maÑ±ana otra cosa

I remember the day, que tu me decia  
Time and time again que tu me querias (I do!)  
and at the time, hey! yo te creia

Mucho de frontera, that's a straight skeeza

But I'll tell ya, straight up porque broder me di de

Pero ya que te conosco what I got I guess not (porque)

Today you tell me somethin y maÃ±ana otra cosa

[dialogue]

Mellow-"Girl, I can't believe you.

You know my mother's talking about me,  
my friends are talking about me. Not me about you."

Girl-"About me?"

Mellow- "You're nothing but a skeezer"

Girl- "A skeezer? Don't be calling me no skeezer!"

Mellow-"S-si eres tremenda fletera mami uhuh la  
verdad."

Girl "Uhuh eso es que tu te piensas"

Mellow- "I bet you go to church and you're scared to  
confess."

Girl-"No, I do confess baby. I do confess."

Mellow-"Uh huh. Do you tell the truth, though?"

Girl-"Yeah I do."

Mellow-"Yeah right."

Girl-"Do you?"

Mellow-"Yeah! You're nothing but a skeezer you know  
what?

I got some other stories to say about you. And it goes  
like this."

[Verse 3]

Un dia estaba en tu casa y ring, there goes the phone  
Recojiste y dijiste (call me back, I'm not alone)

El queria tu direccion, yeah just your address

y ante que colgaste I heard you say (I'll wear a dress)

Ay, alabao' que descar'a is what ran through my mind

So I said let's go out tonight

She said (we go out all the time!) Alabao' man!

Ella no sabia that yo, I knew her plan

de que iba a salir with that other man

So I told the girl in spanish I said hey! Ya me voy (pero  
porque?)

Cause you ain't treating me like I'm some sucker toy

Cause who needs you anyway (I need you!) con tu

lengua venenosa

(no te vayas mellow no te vayas, yo te necesito!)

Today you tell me something, y manana otra cosa (tsk!  
but?!)

Mentirosa!
