If u got the rhyme and u got the reason,
Somebody autta really tell u,
that u've run outta all ur answers and the lines are on
the table.

But u could go, down so low,
No-one'll eva hear u call,
I've got no reason

U could, have had
all of my love
I'd, give it straight back
if its enough
I, need u, to see,
that ur the one for me!

Could've tried all the time to tell u,
that u've run outta all ur answers
its not really ammunition
its a cause for a celebration.

But, we could go, down so low,
no-one'll eva see us fall.
I've got no reason
U could, have had
all of my love
I'd, give it straight back
if its enough
I, need u, to see,
that ur the one for me!

I've got no reason,
I've got no reason,
I've got no reason,
I've got no reason!

If u got the rhyme and u got the reason,
Somebody autta really tell u,
that u've run outta ammunition,
its a cause for a celebration.

But, we could go, down so low,

no-one'll eva hear us call,
I've got no reason.

I've got no reason,
I've got no reason,
I've got no reason,
I've got no reason!
