Looks like dem baddies got bloated
Blinking big red sticking ball
Your hunting over exposure
I'm doing nothing at all

I need a little bit
A little bit
A little bit

I need a little bit
A little bit
A little bit

Eye needle bit
Eye needle bit
Give me a hit

Slack me a laxative donor
My white teeth work chemistry
That dog can bark all it want's to
I needle bit can't you see?

I need a little bit
A little bit
A little bit

I need a little bit
A little bit
A little bit

Eye needle bit
Eye needle bit
Give me a hit

I need a hit
Is it worth it? just a little bit, little bit, little bit

"What are we trying to do?
We say that we aim to develop imagination
And flexibility of mind's, this may sound arrogant
Parents may have to make sacrifices
This might well be true"

Yeah I need a little bit, a little bit, a little bit
Yeah I need a little bit, a little bit, a little bit
Eye needle bit
Eye needle bit
Give me a hit!
