Reading metal quarry, protest
Advanced professional business
Chartered soap opera
Voltage some ill fabrication
Tool and single supply, power
Timber cutting, monumental
Park view mason, recreation
Coach, cat, family, gateway sale yard

Superior interior

Home brew exterior guaranteed
Scared of nothing
Nothing's sacred now

Inferior superior
No known exterior guaranteed
Ah ha!
Scared of nothing
Now there's nothing that you can't have in your
Fucking life.
