Something out of nowhere  
Like a bullet from a gun  
Old railrider, riding in the sun  
And you preach like a jesus  
But you act like a man  
All the lies your teaching  
Lend another one's hand  
Old railrider  
Old railride  
Get your bed un made  
With a jokers grin  
And i saw you knocking  
But i couldn't get in with the  
Door locked  
Oh god you look fantastic  
Time's never been so drastic  
Work nights for a fucking piece of plastic

Old railrider  
Old railrider  
Can't get much higher  
Old rail  
It's what you get when you love like a hypocrite  
And the bloods on your hand  
But you can't see shit

It's what you get  
When you look like a hypocrite  
Already, quit it  
It's what you get when you love like a hypocrite  
And the bloods on your hand  
But you can't see shit  
It's what you get  
When you look like a hypocrite  
Something out of somewhere  
Like a bullet from a gun  
Old railrider, riding in the sun  
And you preach like a jesus  
But you act like a man  
All the lies you teaching  
Lend another one's hand  
Old railrider

Old railrider  
Can't get much higher  
Old rail
