Walking in a rain storm
Supper in the ocean
Wishing I was water
Wishing they could sort it out

See the garden lover
Fighting on the freeway
Quickly Undercover
So anyone who never lost

Are you ready for a change to come
There's already one already one
ALREADY ONE!

Thinking like the rink think
A stagger for the fist fight

Start off with the jump team
Paranoia made it right! Hey!

Are you ready for a change to come
There's already one already one
ALREADY ONE!

I'll see the siblings
Except for the last scene
Come Back
Kid come back!

Are you ready for a change to come
There's already one, already one
There's already one,
ALREADY ONE!
