Rockshow

Would you like another bill?
Printing out the dollar bills
In the end it's all the same
Keep on looking at the weather vane.

Time controlling
Not worth knowing
Where the reasons ending up - it's easy to see
That no one cares
And nothing's free

You don't own me
You can't sell that

Still controlling
In the format

Get in the rock show
There's another fine reason
Get in the rock show
Yeah get in the rock show

Well the joker plays another joke
The smoker takes another dose
Stars keep falling from the sky
People watch and don't ask why

Glasses broken
Love unspoken
When the other preacher comes and rolls into town
You're looking up
You're looking down

You don't own me
You can't sell that

Still controlling
In the format

Get in the rock show
There's another fine reason
Get in the rock show
There's another fine rejected

You don't own me
You can't sell that

Still controlling
In the format

Get in the rock show
There's another fine reject
Get in the rock show
There's another fine reason
Still the same show
Still the same reason
Get in the rock show
There's another fine reason
