If you met, I can't forget, I can't forget
About the breath
Pathetic little excuses for a baby

Cos you're kind
And things were nice
The banker smelt extremely nice
Cashed up was a good thing for a while

No you can't - Save me
No you can't - Save me from her
No you can't - Save me
No you can't - Save me

When you're here we went to there
We got around near everywhere
And people seemed to generally hate you

Whiny jokes was such a hoax
You tried so hard to stay afloat
It ended up the drowning with the best
No you can't - Save me
No you can't - Save me from her
No you can't - Save me
No you can't - Save me

Whoa yeah
All right now
Whoa yeah
Get down

They magised??? ... was just a girl
Your mother standing in the hall
Your father pacing
He's such a fuck up

Shot em then, I shot em there
You should have seen your daddy stare
What a shame they say that she is dead now

No you can't - Save me
No you can't - Save me from her

No you can't - Save me x 9
No you can't - Save me, me in
