the original is still the best
not your cuben heels and you white denim vest
your medicines turning to wine
as another broken promise is left behind
so be a, so be a, so be a, wow
you know there from subie
and not from penial
you were such a freaka
it gives me hives
so get in the corner acting all so shy
your allibis dont mean nothing anymore
coz now im walkin im walking out the front door
what you got
what you got
what you got's
nothing,
what you got
what you got
what you got's
nothing,
what you got
what you got
what you got's
nothin to me
yeah
the principal is still your friend
the deputies on her knees tryin to please them
you check the list
your names not on the door
and no one wants to see you get on the dance floor
you should getyup getyup getyup pow
somebody needs to tell you that you've lost your how
i can see you shaken
your on the prowel
just subscribe to vise for a free beach towel
your such a fool
you druel
in the swimming pool
can you make me cool
just like you were at school

what you got
what you got
what you got's
nothing,
what you got
what you got
what you got's
nothing,
what you got
what you got
what you got's
nothin to me
oh baby
alright
hex sex and nautalex
you wear your singlet tight
so i can see your muscles flex,
nothing,
yeah,
you got nothing,
what you got
what you got
what you got's
nothing,
what you got
what you got
what you got's
nothing,
what you got
what you got
what you got's
nothin to me
got nothing to me
we already know
the original
the original
the original
the original is still the best
