"Cleanse The Seed"

Visit "[Cleanse The Seed](#)" on MotoLyrics.com

vulgar, parasite
endless quest for gain
obsession turns to disease
eats through to the bone

we must, purify, where we dwell

sterilize

deliberate, intentions
discolored and stained with greed
the vultures descend to feed
merciless to the core

we must, purify, where we dwell

sanitize

endless quest for gain
obsession turns to disease
brings you down to your knees

we must, purify, where we dwell

sterilize
