Hey baby hey baby hey baby
Slow down hold up (i want you to be mine)
Hey baby hey baby hey baby
Slow down hold up (i want you to be mine)
We can hook up
We can hook up
We can get married
This is my gift to you
My love is true
We can get married

(2x)

Whod have thought my babe was on an island of her
own
Had me smiling on the phone same page different

Slow down hold up (i want you to be mine)

We can hook up
We can hook up
We can get married
This is my gift to you
My love is true
We can get married

And the one I really wou
