My life be like ooh ahh (yeah) ooh
My life be like ooh ahh ooh ahh (yeah) ooh
Ooh ahh (yeah) ooh
My life be like ooh ahh ooh ahh (yeah) ooh
My life be like

It's times like these that make me say (ooh ahh ooh)
Lord if you see me please come my way
Leavin' bread crumbs for when I stray (ooh ahh ooh ahh
ooh)
Rely on sacrifice and the price you paid
Feel me like a fingertip (ooh ahh ooh)
(Flow fingertip flow fingertip)
Sometimes I fall I slip
Got a heartfelt desire be more like you (ooh ahh ooh
ahh ooooh)
Trying not to quench your fire by the things that I do

I'm on an island by my lonesome stranded
Low key and stayin' candid
Reflectin on the things I try my hand at
Search for the equations to persuasions I'm used to
Findin comfort in the zones of closet bones I get loose
to
A mountainous fontaine,
Spinnin and monsoonin
Grinnin it's high octane
This worlds out wacky
Rollin down the hills cause lifes a hassle
Encircled by my folly like a moat surround a castle
Stay afloat,
Catch a second wind thin is the air I breathe
Teary-eyed nose runnin, wipe the snot on my sleeve
I'm callin on my savior to be all that I need
Please forgive me my behavior had me lost at light
speed

It's times like these that make me say (ooh ahh ooh)
Lord if you see me please come my way
Leavin' bread crumbs for when I stray (ooh ahh ooh ahh
ooh)

Rely on sacrifice and the price you paid
Feel me like a fingertip (ooh ahh ooh)
(Flow fingertip flow fingertip)
Sometimes I fall I slip
Got a heartfelt desire be more like you (ooh ahh ooh
ahh ooooh)
Trying not to quench your fire by the things that I do

The fear of never falling in love
And the tears after losing the feelings
Of what you thought love was
Like the dirt still up under the rug
(My life be like)
Bad characteristics covered in Christ's blood
The joy of new birth and the pain of growing up
The bliss between giving my all and giving up
The highs and lows,
Paths and roads I chose
In the cold I froze
Trying to ease my woes
In this world of sin
Clothes to thin to fend
So to God I send
Words of help to win
In grumblings so deep letters could never express
So the sounds of ooh ahh beneath my breath projects

It's times like these that make me say (ooh ahh ooh)
Lord if you see me please come my way
Leavin' bread crumbs for when I stray (ooh ahh ooh ahh
ooh)
Rely on sacrifice and the price you paid
Feel me like a fingertip (ooh ahh ooh)
(Flow fingertip flow fingertip)
Sometimes I fall I slip
Got a heartfelt desire be more like you (ooh ahh ooh
ahh ooooh)
Trying not to quench your fire by the things that I do

My life be like (Toby Mac)

My life be like ooh aah ooh
Dum dum diddy
Here comes that boy from the capitol city
Last up on the grits new ditty
But eight bars of the truth will do, ugh
I believe there's a bride that's stunning,
And I believe in the kingdom coming
I believe if you seek the truth,
You don't need to look far 'cause it's gonna find you

So why, oh why, do I trip and stumble?
And ooh ahh as commitment crumbles?
I can't believe that I'm here again

It's times like these that make me say (ooh ahh ooh)
Lord if you see me please come my way
Leavin' bread crumbs for when I stray (ooh ahh ooh ahh
ooh)
Rely on sacrifice and the price you paid
Feel me like a fingertip (ooh ahh ooh)
(Flow fingertip flow fingertip)
Sometimes I fall I slip
Got a heartfelt desire be more like you (ooh ahh ooh
ahh ooooh)
Trying not to quench your fire by the things that I do

It's times like these that make me say (ooh ahh ooh)
Lord if you see me please come my way
Leavin' bread crumbs for when I stray (ooh ahh ooh ahh
ooh)
Rely on sacrifice and the price you paid
Feel me like a fingertip (ooh ahh ooh)
(Flow fingertip flow fingertip)
Sometimes I fall I slip
Got a heartfelt desire be more like you (ooh ahh ooh
ahh ooooh)
Trying not to quench your fire by the things that I do

My life be like
