

Grits "Falls Apart"

Visit "[Falls Apart](#)" on MotoLyrics.com

It falls, apart, from the very start,
It falls, apart, seems like everything I touch,
Falls, apart, every thing around me,
Falls, apart, when I walk away from you/

I wish I could, but I don't,
Always keep the promises I've kept,
I wish I could, but I can't,
Always give, whatever I have left,

And now it's all so clear,
Doesn't anyone see what's happening here?....

It falls, apart, from the very start,
It falls, apart, seems like everything I touch,
Falls, apart, every thing around me,
Falls, apart, when I walk away from you

I know I should, but I don't always say,
What you want me to say,
I know I could, but I don't, always act, like everything's
o.k.
And now it's all so clear,
Doesn't anyone see what's happening here?

It falls, apart, from the very start,
It falls, apart, seems like everything I touch,
Falls, apart, every thing around me,
Falls, apart, when I walk away from you
