Yeah yeah yeah
Let the fire burn, let the fire roar
Bouncin' back and forth to beat
Gettin' angle wings to soar high

Yeah yeah yeah
Let the fire burn, let the fire roar
Bouncin' back and forth to beat
Gettin' angle wings to soar high
Yeah yeah yeah

I gotta hit den submit it to let the flame consume me
Control me, that I would listen to it glisten while it's
crissinin'
Rhymes that bring presition through it lines paintin'
vision through it
Lives resurrected through it, game well respected for it
and that's why
We so true with it and ain't gone never be through with
it
Why we so hot but cool with it, so fresh, so clean, so
new with it

So let the fire burn, let the fire roar build your body
baby
Trust me you'll be comin' back for more lack for no
more
A thirst for no thing hurt for no pain a lust for no man
A woman not yours and that's the truth man hundred
fifty proof man
Swig some and get dumb so you could get high

Yeah yeah yeah
Let the fire burn, let the fire roar
Bouncin' back and forth to beat
Gettin' angle wings to soar high

Yeah yeah yeah
Let the fire burn, let the fire roar
Bouncin' back and forth to beat
Gettin' angle wings to soar high
Yeah yeah yeah

Sink in favor what you pick behavior
Flash across the screen it inflict the flavor
Cherish and embrace in every moment saved
unconsciously
Our conquest aimlessly they goin' bonkers smokin' on
dat bombsess
Foolishness and nonsense we barely scratch the
surface
Not on purpose about a thousand times around with
countless minds
We pass they lives as worthless, we poke our nose

When those boys pose, we curious to see what's goin'
down
When doors close figure out they morris code
They box up they emotion 'cause camotions
Beyond they act like big fishes in a pond, but really
rocks
In a ocean boned it eyes saw the score in '94 and we
cleaned the floor
With pores that were soar mended wings 'til we
reached the core

Let the fire burn, let the fire roar
Bouncin' back and forth to beat
Gettin' angle wings to soar high
Yeah yeah yeah

Let the fire burn, let the fire roar
Bouncin' back and forth to beat
Gettin' angle wings to soar high
Yeah yeah yeah

Let the fire burn, let the fire roar
Bouncin' back and forth to beat
Gettin' angle wings to soar high
Yeah yeah yeah

Let the fire burn, let the fire roar
Bouncin' back and forth to beat
Gettin' angle wings to soar high
Yeah yeah yeah

Let the fire burn, let the fire roar
Bouncin' back and forth to beat
Gettin' angle wings to soar high
Yeah yeah yeah

Let the fire burn, let the fire roar
Bouncin' back and forth to beat
