Mention a name we know (we know)
I'll be attained, it shows. (it shows)

Please don't feign the rose (the rose)
Always the same, I know. (I know)

I'm cheerleading myself,
I should've made it matter.

I'm cheerleading myself,
I should've made it matter.

Go on, let it go- it doesn't mean a thing.
--(I'm cheerleading myself, I should've made it matter)-
-

Chance is on nothing changing.
--(I'm cheerleading myself, I should've made it matter)--

There's no time to go (to go)
Through the designs we know (we know)

Never mind, although (although)
Maybe this time we'll grow (we'll grow)

I'm cheerleading myself,
I should've made it matter.

I'm cheerleading myself,
I should've made it matter.

Go on, let it go- it doesn't mean a thing.
I'm cheerleading myself, I should've made it matter

Chance is on nothing changing.
I'm cheerleading myself, I should've made it matter

Go on, let it go- it doesn't mean a thing.
I'm cheerleading myself, I should've made it matter

Chance is on nothing changing.
I'm cheerleading myself, I should've made it matter
