sittin around
But we aint gonna have none of that this evening, child
That's right, don't be lookin' at me like that
See my name's gran'ma funky y'all
Funky if you're nasty darlin
And you've got to stay nasty

But see, I need a little more volume, you know what I'm
sayin'
Give me volume on everything 'cause I want you to
hear me
I wanna hear myself against the world
