

Grizzly Bear "Two Weeks"

Save up all the days
A routine malaise
Just like yesterday
I told you I would stay

Would you always
Maybe sometimes
Make it easy?
Take your time

Think of all the ways
Momentary phase
Just like yesterday
I told you I would stay

Every time you try
Quarter half the mile
Just like yesterday
I told you I would stay

Would you always
Maybe sometimes
Make it easy?
Take your time

Would you always
Maybe sometimes
Make it easy?
Take your time

Always, sometimes
Easy, time
