Yet again, we're the only ones
No surprise, this is often how it's done
Lately, it's about all I can take
I will put an end in all these brakes
Oh-oh-oh oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh

Shell with another crack
I'm small, but I can keep track
Too soon, everyone just step away
I'm sure this isn't the last á¹—lay

Take it all and strike
Speak don't confide
Barely had a chase
It's done before we try
Stop it and deny
Does it end your phase?

Keep score even play, it feels this game
I know when I'll set her the same
If I could, I will beat it all in
No chance, to move outwards and see

Oh-oh-oh oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh

Take it all and strike
Speak don't confide
Barely had a chase
It's done before we try
Stop it and deny
Does it end your phase?

Take it all and strike
Speak don't confide
Barely had a chase
It's done before you try
Stop it and deny
Does it end your phase?
