Come on baby, just look out for me
I'm gonna get you one day
Might as well make it early

Bridge

Just

Look out your window as I pull up in the drive
I got my 4 x 4 and I'm feeling so alive
Snap your fingers and put on your ice
Cause, we're gonna party tonight, yeah baby

Chorus

Your never gonna know what hit you
You never gonna know what's stopping you
You never gonna know where I'm hiding
Just find me (find me) find me x 2
This is like an endless story
Finish the chapter, turn over the page
Coz you've gotta know what happens next
To get you prepared for the next stage

Bridge

Just

Look out your window as I pull up in the drive
I got my 4 x 4 and I'm feeling so alive
Snap your fingers and put on your ice
Cause, we're gonna party tonight, yeah baby

Chorus

Bridge x 2

Chorus to fade
