Standing on the corner this Saturday night
Eying up a guy who's looking so fine
He asks me if I'm all alone
I gotta boyfriend coming so I really should say no
But he's got looks that could kill

Chorus
Eenie meenie miny mo
Catch a honey by the toe
One's good looking and asked me to stay
One's got a job with really good pay
I think I'm in love with both
Gotta get away x2
Boy I wanna tell you the truth
Coz it really tears me apart
Boy, I'm in love but it's not just with you
Have you had a change of heart?

He said
Girl I don't know what to do
I don't wanna say I'm not in love with you
Girl I wanna tell you the truth coz it's tearin' me apart
Have you had a change of heart?

I said
(Chorus x 2)
Yeah, yeah, yeah...
