(Chorus)

I dont know how to fight it  
I dont know how to hide it  
Your love is making me go crazy  
x2

Finding your true love  
Is a hard game  
Is it better to know  
That we're both the same?  
When you've been knocked down  
Fooled around  
Played around  
Stand up and fight back (oh yeah)  
Rearrange your life to fit his schedule  
You dont wanna live like this no more

(Bridge)

You give  
All your love to him  
You get  
Nothing in return  
x2

Oh oh

Chorus x2

Stop wasting your time girl  
(Hes not worth it)  
Loving is easy  
(Not worth it)  
Stand up and fight back  
(not worth it)  
Girl you know I'm riiiiight

Listen  
One way  
Not worth it  
Stand up  
Fight back
