You know you and I should get together, real, real  
soon. I wanna take

you somewhere. And if you don't mind, the thought of  
you and I alone, I

think you'll enjoy, sit back, relax, take down your hair.  
I'll take you

to the top

CHORUS: Top of the world (Top of the world) Top of the  
world (And I

won't bring you down) Top Of The World (Up Up and  
Away baby) Top of the

world (top of the world)

It won't take a long time (hell naw, you in a rush?) to get  
to know you

better (I got all night) we can go upstairs and talk for a  
little while

(yeah I can unlock the door and put out the cat) baby  
it's just you and

I

BRIDGE: Can I (get close to you) Honey I wanna (take  
you somewhere) I

wanna take you (I wanna take to you to the top of the  
world) Can we go

on and on and on and on and on. Awww, come on  
baby.(AWWWWW SHUCKS)
