I'm sad with the way that I am
I'm turning away from the past, oohh
I'm lookin' for a better place
I'm lonely but findin' my way around
Around,around,
Around,around

So long,
Something's stirring up in the air,
Because it keeps turning me around, oh yeah

So long,
Something's stirrin' up in the air,
Because it keeps turning me around,

It's starting to push at my mind
Forget all the things that I took with me
I'm throwing away all my dreams
Dreams,
Dreams,
Dreams,

So long,
Something's turning up in the air, ooh
Keeps turning me around,
History reminding (ooh yeah...)

So long,
Something's turning up in the air, around,
History reminding
